Hon. Mark Pedersen
United States Magistrate Judge

Re: **USA v. John Looney**

Dear Judge Pedersen:

I would respectfully request a two-week adjournment from the current scheduling dates to file and argue motions in the above matter. AUSA Meghan McGuire has no objection to this request.

I would waive speedy trial time during the period of this adjournment as I believe it is in my client's best interest to have this additional time to submit motions in this matter.

Respectfully submitted,

James Napier, Esq.
